Dear Professor Ferentz:

We at the University of Waterloo Computer Systems Group are actively engaged in research and development on the PDP-11 and wish to join the UNIX User's Group. Our cheque for the membership fee in the amount of $10.00 (our purchase order No. 79542) is being sent under separate cover.

We are especially interested in receiving back issues of UNIX NEWS wherein we may find a licence agreement for the Harvard software. We look forward to receiving this information,

Yours sincerely,

F. David Boswell

Dear Mr. Boswell,

In order to receive Harvard's MACRO-11 package, you must first join the UNIX Users' Group, as your membership fee of $10 American in that group pays my mailing costs. Send the $10 to:

Prof. Melvin Ferentz
Physics Dept.
Brooklyn College of CUNY
Brooklyn, N. Y. 11210

Then, when you receive the back issues of the UNIX NEWS, you will find therein a license agreement (free) for the Harvard software. Have that agreement signed, and send it to me together with a 600' magnetic tape (bigger is fine, but 600' is sufficient and cheaper to mail) and a covering letter to me. I will return the tape with the Harvard software on it in "tp" format. I understand that there is no duty on magnetic tapes sent out of Canada if you indicate that the tape is being returned to Canada.

If there are any further questions please don't hesitate to write or call.

Yours,

Michael T. O'Brien
